## WHAT'S THE MATTER WITH MURPHY?

"Whats the matter with Murphy?" He's knocked out. Every body in Monessen knows Murphy. Murphy, the man who used to come down here from Uniontown, to look after the interests of the Monessen people. Murphy of Bell telephone fame. It is only a short time since Murphy stood before the rail in the local council chamber and reiterated how the people would be hoodoed if they granted a permit to the Independent Telephone company a competing concern. Well this same Murphy went before the Monongahela council for the same purpose, and used practically the same arguments that he used here but his appeals were not nearly so effective. Tuesday evening was the regular monthly meeting of council in that town and when the telephone issue came up Mr. Murphy asked to be heard, claiming that he had data in connection with the new company that he thought was of vital importance to the public in general and councilmen in particular. The council heard what Murphy had to say, and then passed the ordinance admitting the new Telephone company. The Monongahela Republican says, "the councilmen heard Mr. Murphy and then passed the ordinance, granting the franchise." There is a general movement on in Washington county this year to admit the Independent Telephone company and thus complete a chain of perfect telephone communication. It is argued there is a big difference in rates between the new and more modern service and the service furnished by the Bell company. People are asking for relief from the high rates charged by the Bell company and claim the Independent concern not only furnished a better service but does it at a more moderate rate. Nearly every town in the valley, and especially in Washington county, is trying to get the new system. Donora is now considering the advisability of passing a favorable ordinace, and the victory at Monongahela will make it easier in that town.

There is a demand for lower telephone rates. That demand is growing more insistent. Five cents to call up a person only four or five squares away is too much to pay for the service. The day of penny telephone service will come and the owners of the lines will be wise if they do not anger the public by the reduction of privileges at a time when a demand is being made for an extension of the zone.

It is good policy to keep the good will of one's customers. We believe the managers of the Bell Company err when they take measures to circumscribe the area of the calls of their subscribers. The public once aroused moves with a momentum that no corporation can arrest. No era in the world's history was so replete with illustrations of that fact as this

## SOME EARLY MOVES IN REAL ESTATE

The coming of spring will bring many improvements for Monesser. Real estate seems to be on the move, as many recent sales have been made which means the improvement of much property. Hagerson and Dague, the feed dealers have sold to A. Marple the big feed store property on Donner avenue, and the firm will take possession near April 1st, and will make repairs on the property converting it into a transfer and storage house. A brick basement will be built for the purpose of furnishing stable room for the teams and the second floor will be used for teams, feed etc. Mr. Marple will vacate his present quarters and Allison Eggers will take possession and will start a retail lumber yard. Hagerson and Dague have purchased two lots on Donner avenue near Eighth street next to the lots of the borough, and will erect a modern feed store for their future needs. The building will be of brick with suitable capacity to answer all purposes. They expect to start work soon.

This evening at Monongahela, Major Farnsworth of the U. S. Army will inspect Co. A, National Guard which is located at that place. The purpose of this inspection is to find out which of the Companies of the National Guard are best equipped and able to get into the field on the shortest notice. The trouble in Mexico has brought on this investigation and the troops may be called out at most any time.

## MAC SAYS IT'S GOOD IT MUST BE GOOD

Monessen, Pa., Feb. 8. 1912.

E. G. Hays and Co.,
Pittsburgh, Pa.

Gentlemen:—

It affords me great pleasure to recommend the Lester Piano as I feel that I am in a position to know where of I speak, having used your Lester Pianos in my different theatres including Monessen, Favette City, Charleroi, Donora, Sisterville, W. Va., Oil City and numerous other places. Before using the Lester I tried many other so called high grade pianos without success. I find the Lester stays in tune and stands the hard usage such as a piano naturally receives in a theatre, and its sweet sympathetic singing quality of tone has always proved a great pleasure not only to our performers but to the audience as well.

To anyone considering the purchase of a piano, I most highly recommend the Lester. I would not use any other.

Wishing you continued success, I remain,

Yours very truly
(signed) W. A. McSHAFFREY.

## PEOPLE WARMING UP TO THE CAUSE AND GOOD OF REVIVAL SERVICES

The good work goes on and Monessen is being wrought upon as never before in a religious way, and while there are divers opinions, comments and criticisms advanced as to the methods employed by our ministry and the laymen-evangelists laboring in our midst, some approve their methods while others say they do not, but all will admit that the influence is in the right direction and that "They are picking up some scattered ones who scarcely ever have gone to church or do go to church, and that the regular preachers do not reach." Be it so. Even at that they are doing a grand good work, and their influence will be long felt in and about Monessen.

The capacity of the opera house last night was taxed even greater than it has been any week night since the meetings began. At 7:45 the service opened, led in a fervent prayer by Rev. Davies of the Methodist Episcopal church and as usual the chous delegeted the multitude with old favorities, led by Director Welch, the man of song. A duet by Messrs. Welch and Whitehead was much appreciated and this was followed by a liberal offering.

Rev. Wallace of the Baptist church offered a special prayer on behalf of Mrs. Frank Venneri, who is sorely afflicted and his supplications were warmly concurred in by every one present.

Mr. Porter then read an appropriate scripture lesson from the gospel of Mark, and introduced to the audience Eddie Thomas of Belaire Ohio, who told the story of his life and conversion. This man is one of the many picked up from the malstrom of onrushing wickedness and sin. He had been a gambler, a thug and a debauch. He had gone so far that he considered himself lost and had given up all hope. Four months ago, however, he was led into that better way. He hab been on a "spree" and was sleeping off the effects of a terrible drunk in the hospital when visited by two men who were conducting meetings as these men are doing in Monessen. They talked plainly and reasonably. He saw they were right. The next Sunday he went to church, and has been going to church ever since. Mr. Thomas gave a most wonderful testimony.

Jack Spade spoke on "Hell," and he surely and truthfully did give "it" to them in the proper way. That is he told the people it is a first rate place to stay away from.

A solo by Wm. Williams, "Meet Mother in the Skies" was most impressive and effective.

Mr. Porter offered prayer most impressively and the invitation to turn to a better life, was responded to by many, and the meeting was at an end.

There will be no prayer meeting at the Christian church tonight, but services as usual at the opera house at 7:45.

Neighborhood meetings tomorrow, Wednesday afternoon as follows: Mrs. Davies, Delaware, (off Schoonmaker), Mrs. S. L. Ross, 127 Reed avenue, Mrs. Geo. Pawney, McKee avenue (Next High School) and Mrs. Weston's 506 Ninth street.

Next Sunday, afternoon special meeting, for men only, will be held in the Star theatre, and a meeting for women only in the Christian church. Everybody welcome.

Today at the noon hour the Evangelists went through the Monessen brewery, and during the afternoon paid a visit to the Carnegie Steel Hoop Mill, and were received heartily at both places.

William Watson of the Donora American, has been honored by being drawn as a juror to serve his country. Mr. Watson is practically a new man in Washington county, and the signal honor which has been given him demonstrates conclusively that the courts over at Washington are after the very best timber to decide justice.

## OPENING OF THE OLYMPIC THEATRE

The new Olympic theatre on Donner avenue will be opened to the public Saturday afternoon and there will be performances both afternoon and evening. The new theatre presents an imposing appearance on the outside and the interior is strictly up to date. It has a seating capacity of six hundred people, and is in every way up to the requirments of the law, having all the safety appliances. All the seats are elevated from the stage so that from every quarter of the house, a good view may be had. The interior of the house is fitted up with the most modern equipment even to cushioned seats, and those who attend the first performance are assured of all the comforts, as the house is completed and the heating aparatus is working first class. Both moving pictures and vaudeville will be billed and the best of talent will be employed. A good attraction has been selected for the opening day which will be announced later.

## A LESTER PIANO IN YOUR HOME

Samuel Gilbert of Greensburg was here yesterday and attended the Monessen Club dance in the Kelly hall last night.

## SLIGHTLY USE PIANOS VERY REASONABLE

Two slightly used pianos, taken in exchange on interior Lester Player Piano. One, a Schilling and Sons, will be sold for $135.00 and the other for $125.00. The E. G. Hays Co., 47 Sixth street. Opposite New Daily Independent office, Monessen, Pa. 13 tf

## AT LAST WE MAY REACH WEBSTER

Everything points decisively to an activity the coming summer along lines of trolley development in Westmoreland, Fayette, Washington and Green counties heretofore unknown.

As is known, there is a piece of trackage now runing through Monessen, known as the W. M. B. and F. C. line. In Washington county the Westside Street Railway Co. is planing running the W. M. B. and F. C. line to Bentleyville. The same line will be extended, it is said, to Fayette City on this side, also to Webster. Then, there is talk of connecting up with Brownsville, and the West Penn Traction Co. is planing great things, and when all contemplated is done, a net work of trolley lines will traverse the four counties named.

Last Friday night at Uniontown a perpetual charter was granted the West Penn who will spend $350,000 in terminal facilities to accommodate the entire system. Thus Uniontown gets what was held out to Greensburg last year and refused.

A part of this great loop or system will connect West Newton, finishing up across country to Webster, thus completing the Monessen circuit. Another connection is mentioned with Monessen direct to Irwin, Jeannette and Greensburg.

It is thought that after all these extensions and connections are made, the entire loop or system will be known by and controlled by the West Penn Electric Co., which is at this time spending more than a million dollars in developing and perfecting lighting and power systems, to be used, no doubt in operating this vast network of trolley lines, as the West Penn Traction and West Penn Electric are practically one and the same.

Mr. and Mrs. C. M. Lamb, of Adrian, Mich., are in Monessen among their old friends, and expect to spend some time here. Mr. Lamb is general superintendent of the Page Woven Wire Fence Co., whose plants are located at Adrian and Monessen.

## Public Spirit

Recently a well-to-do man in a neighboring town, when asked to do something to help a public welfare movement declared that he would be damned before he would put his hand in his pocket for anything that had to do with the city; and he didn't. There are thousands of other men like him; and that's often the reason that some cities and towns never grow any greater or better.

To make a city progress it must have only the moral, but at times, the financial support of those that are well-to-do. In other words those who can afford to give a little, having more than the majority have, must contribute a certain amount towards worthy movements and enterprises. In Monessen we have a number that do much toward the welfare of the city. All of the enterprises receive a good share of support and yet all could do better on more.

One of the organizations which should have the support of every business and professional man is the Board of Trade. Through it the town's advantages are to be advertised and through it industries are interested in Monessen as a manufacturing district. Not only is this true but matters of great interest to the whole people are discussed. Some projects are advocated and others condemned. Everything that is of any real importance to the town and its people will be given consideration.

---

The other day we referred to a poor, honest but indusrious family at at nearby town who became embarrassed and in a manner destitute, but it was no fault of theirs. They had saved some money, but the father was out of work for a time and the high price of everything needed in the home and to live on soon dwindled away their little savings and the man was compelled to shed tears and almost get on his knees before he touched a soft spot and procured employment. Again we say it. Poverty that comes through misfortune is no disgrace, and many a brave soul endures it heroically, and through a degree of self-respect and honest pride will and do resort to every possible means before they let even their closest friends and associates know their real plight. There are many such here in Monessen this present winter. They are in every community. However, on the other hand, that poverty which is brought about through indulgence in vice and evil habits is purely robbery to the body and soul, and not only that, but robbery of and from the soul and body of—possibly the poor hard working, trusting and faithful wife and the little ones at home who are depending upon the sinning one for the commforts and necessities of life.

---

The editor of the Monongahela Times reviews the movement in Westmoreland county to reduce the speak easy and club evils, citing particularly Judge Doty's late advice to constables, and commending the move. In conclusion he adds:

"In Washington county we have made but little progress in this direction. At the last term of court there were no violations of law reported, and from the reports made, one would believe we lived under the most ideal conditions. However, a glance at the trial list of the criminal court of the county would soon convince one that he was in error."

---

Great indeed must be the feeling of downright sympathy which society is at this time dealing out to herself, and many are the tears; real downright, brimey tears that are being shed. The poor thing is being grossly overworked in the effort to get in all the "affairs" scheduled to be pulled off before the Lenten season puts the ban on all such dreadful dissipation as comes in the social category.

---

Love in a cottage, or a log cabin by the sea, or any old place one pleases to picture it sounds well in poetic phrases, but just as good a brand of love can be served up and dished out in one of Monessen's nice, comfortable town houses or cozy little flats as anywhere else, and it is fully as lasting.

---

There were 148 murders in New York last last year with but one execution. He must have had a lawyer from Fayette county.

## THEY INJURE CHILDREN

### Cathartics and Pills and Harsh Physics May Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics, and purgatives are too apt to do more harm than good. They sometimes cause griping, nausea, and distressing after-effects, and may actually injure the health, thus establishing a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as a safe and dependable remedy for constipation and associate bowel disorders. We have such faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus over-coming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies not only relieve constipation, but help to remove the cause of this ailment They also frequently overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really, in our opinion, no similar medicine so good as Rexall Orderlies for the purpose to which it is directed, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages; 12 tablets, 10c., 36 tablets, 25c., and 80 tablets, 50c. Remember, you can obtain Rexall Remedies in this community only at our store -The Rexall Store. Craig's Drug Store.

## Jewish Man Badly Burned

Samuel Kaplan, a well known Hebrew resident of McKeesport, is in the hospital at that place. He suffered from rehumatism, and had his legs bandaged, and as he walked past a gas stove to the bath room the blaze caught the cotton bandage also the bathrobe and he was terribly burned before the wife and son could smother the blaze. They were badly burned also. It's said that large pieces of flesh came from the man's legs as the burned bandage were removed.

## From New England Women

### Prove that Lydia E. Pinkham's Vegetable Compound Does Restore the Health of Ailing Women.

Boston, Mass.—"I was passing through the Change of Life and suffered from hemorrhages (sometimes lasting for weeks), and could get nothing to check them. I began taking Lydia E. Pinkham's Vegetable Compound (tablet form) on Tuesday, and the following Saturday morning the hemorrhages stopped. I have taken them regularly ever since and am steadily gaining.

"I certainly think that every one who is troubled as I was should give your Compound Tablets a faithful trial, and they will find relief."—Mrs. GEORGE JUBY, 802 Fifth Street, South Boston, Mass.

### Letter from Mrs. Julia King, Phœnix, R.I.

Phœnix, R.I.—"I worked steady in the mill from the time I was 12 years old until I had been married a year, and I think that caused my bad feelings. I had soreness in my side near my left hip that went around to my back, and sometimes I would have to lie in bed for two or three days. I was not able to do my housework.

"Lydia E. Pinkham's Vegetable Compound has helped me wonderfully in every way. You may use my letter for the good of others. I am only too glad to do anything within my power to recommend your medicine."—Mrs. JULIA KING, Box 282, Phœnix, R.I.

### Letter from Mrs. Etta Donovan, Willimantic, Conn.

Willimantic, Conn.—"For five years I suffered untold agony from female troubles causing backache, irregularities, dizziness, and nervous prostration. It was impossible for me to walk up stairs without stopping on the way. I was all run down in every way.

"I tried three doctors and each told me something different. I received no benefit from any of them but seemed to suffer more. The last doctor said it was no use for me to take anything as nothing would restore me to health again. So I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and by taking seven bottles of the Compound and other treatment you advised, I am restored to my natural health."—Mrs. ETTA DONOVAN, 762 Main Street, Willimantic, Conn.

### Letter from Mrs. Winfield Dana, Augusta, Me.

Augusta, Me.—"Lydia E. Pinkham's Vegetable Compound has cured the backache, headache, and the bad pain I had in my right side, and I am perfectly well."—Mrs. WINFIELD DANA, R.F.D. No. 2, Augusta, Me.

### Letter from Mrs. J. A. Thompson, Newport, Vt.

Newport, Vt.—"I thank you for the great benefit Lydia E. Pinkham's Vegetable Compound has done me. I took eight bottles and it did wonders for me, as I was a nervous wreck when I began taking it. I shall always speak a good word for it to my friends."—Mrs. JOHN A. THOMPSON, Box 3, Newport Center, Vermont.

### Letter from Miss Grace Dodds, Bethlehem, N.H.

Bethlehem, N.H.—"By working very hard, sweeping carpets, washing, ironing, lifting heavy baskets of clothes, etc., I got all run down. I was sick in bed every month.

"This last Spring my mother got Lydia E. Pinkham's Vegetable Compound for me, and already I feel like another girl. I am regular and do not have the pains that I did, and do not have to go to bed. I will tell all my friends what the Compound is doing for me."—Miss GRACIE B. DODDS, Box 133, Bethlehem, N.H.

**For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself who will not try this famous medicine, made from roots and herbs, it has restored so many suffering women to health.**

# News Notes of Society

Last night, in Kelly's hall, as per schedule, the fifth dance in the winter series, given by the Monessen Club, was held, there being a goodly attendance—about 35 couples. Of course all had an enjovable evening—they alway do. There will be at least one more number in this series and possibly two before the closing of the winter season and the others are being looked forward to with even more interest by the members than they have the past ones. Among the Club's guests last night was Mr. Samuel Gilbert of Greensburg. The music was provided by the Reiner orchestra and was of the usual high order of things when it comes to dispensing music by this organization. Everybody retired to their homes highly delighted with the evening's most pleasurable and exhilirating diversion from the humdrum grind of business cares.

Mr. and Mrs. T. F. Hoskinson of 456 Donner avenue on Tuesday evening entertained at "500" and the evening was most enjoyably spent by the guests. After the bans and mishaps of the game, a most pleasing luncheon was spread by Mrs. Hoskinson and it was decidedly one of the best features of the evening's program. The guests were Mr. and Mrs. J. A. Lohman, Mr. and Mrs. Harry Bearer, Mr. and Mrs. W. P. Wilson, Mr. and Mrs. A. Brantegam, Mr. and Mrs. T. W. Smith, Mrs. Peter Amann, the Misses Helen and Ida May Kidd and Miss Keefer, Messrs. Stevenson, Long andBearer.

The annual dance of the Knights of Columbus was held last night in the Turner hall at Second street, and the attendance was large. The hall was especially and appropriately decorated in the lodge colors—blue and white and the effect was most pleasing in the extreme. Quite a goodly number were there from Charleroi and Monongahela and the music was furnished by the Jenkins orchestra of Charleroi. At just the right time a sumptuous and delectable lunch was set before the happy company by E. A. Preach of the Grand hotel and everybody was surely pleased.

The marriage of James Curry and Miss Dorothy Hileman, both of Monessen took place today at noon Rev. Father A. J. Wigley officiating. The young couple left on the noon train for a brief wedding sojourn through the east and upon their return they will take up housekeeping in Monessen. Mr. Curry is one of the town's well known young men and holds a good position at the American Sheet and Tin plate plant while Miss Hileman has been one of the efficiant clerical force at the A. R. Ney store.

Mr Paul Mitchell and Miss Grace Jones were united in marriage Wednesday, February 14, 1912, by Rev. G H Evelin at the parsonage of the Lutheran church The bride is a daughter of Mr. and Mrs W P Jones of Schoonmaker avenue and a young lady with many friends, while the groom is one of the trusted employes of the P. and L E railroad Mr and Mrs. Mitchell will make their future home in Monessen.

The marriage of Mr. Emil A Grodecour the young druggist at the Sheetz hotel store and Miss Margaret Duvall of Charleroi was solemnized yesterday afternoon. The ceremony was performed by Rev. Jolly pastor of the First Presbyterian church Pittsburgh Miss Duvall is the daughter of Mr and Mrs William Duvall. The couple will go to housekeeping at once

Mrs W F Stewart entertained the Afternoon Bridge Club at her home on Parkway yesterday afternoon. The home was very beautifully decorated and was suggestive of Valentin day Bridge whist was played by about 10 guests after which a dainty lunch was served by the hostess There were several out of town guests present

This evening the Winter Club of Charleroi will hold their regular weekly dance in Might's Hall in Charleroi. The Jenkins-Wheeler orchestra will furnish the music. Quite a few local people will attend this evening's affair.

In securing "The Battle of Pittsburgh Bridge" for the Luna theater tomorrow, the mangement is showing that they are endeavoring to secure only the best and highest class pictures for their house. This is without doubt one of the best war pictures ever exhibited, the burning of the bridge alone costing the Moving Picture Company over $5,000 to replace. With an efficient trained corps of ushers and an increased seating capacity all can be easily accommodated It is the aim of Manager Charles Freeman to secure as many feature shows as possible and from past performances it is evident that he is succeeding admirably in his endeavors.

### Couldn't Escape.

He was one of those timid, tiny toned chaps who become enamored by mistake, and live in perpetual fear of a pending engagement ring He himself had become enamored of a sweet and soulful maiden, whose languishing expression tore him between delight and fear

At the conclusion of his first "call she asked

"When are you coming again, dear?"

He seized the wrong hat from the rack in his confusion.

"Er—what about some time next week?" he hazarded

A look of disappointment came into the fair one's eyes

"Next week?" she said "Yes, that will do lovely! Come round tomorrow night, dear, and we'll decide definitely upon the day."—Answers

## OLD-TIME REMEDY DARKENS THE HAIR

### Gives Color, Lustre to Faded and Gray Hair—Dandruff Quickly Removed.

From time immemorial, sage and sulphur have been used for the hair and scalp. Almost everyone knows of the value of such a combination for darkening the hair, for curing dandruff and falling hair, and for making the hair grow.

In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready-to-use product, skillfully compounded in perfectly equipped laboratories. The Wyeth Chemical Company of New York put up an ideal remedy of this sort, called Wyeth's Sage and Sulphur Hair Remedy, and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented

If you have dandruff, or if your hair is turning gray or coming out, don't delay, but get a bottle of this remedy to-day, and see what a few days' treatment will do for you.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists
